LENÇÓIS MARANHENSES
8 DAYS / 7 NIGHTS

DAY 1 – ARRIVAL IN SÃO LUIS

Arrival at the airport for your flight to São Luís. Upon arrival, you'll be welcomed and transferred to your selected hotel. If you get time, let's explore the main sights of the city, listed as a UNESCO World Heritage Site, with its beautiful colonial mansions, cobbled streets, and alleys. Overnight in hotel with breakfast included.

DAY 2 – SÃO LUÍS /SANTO AMARO

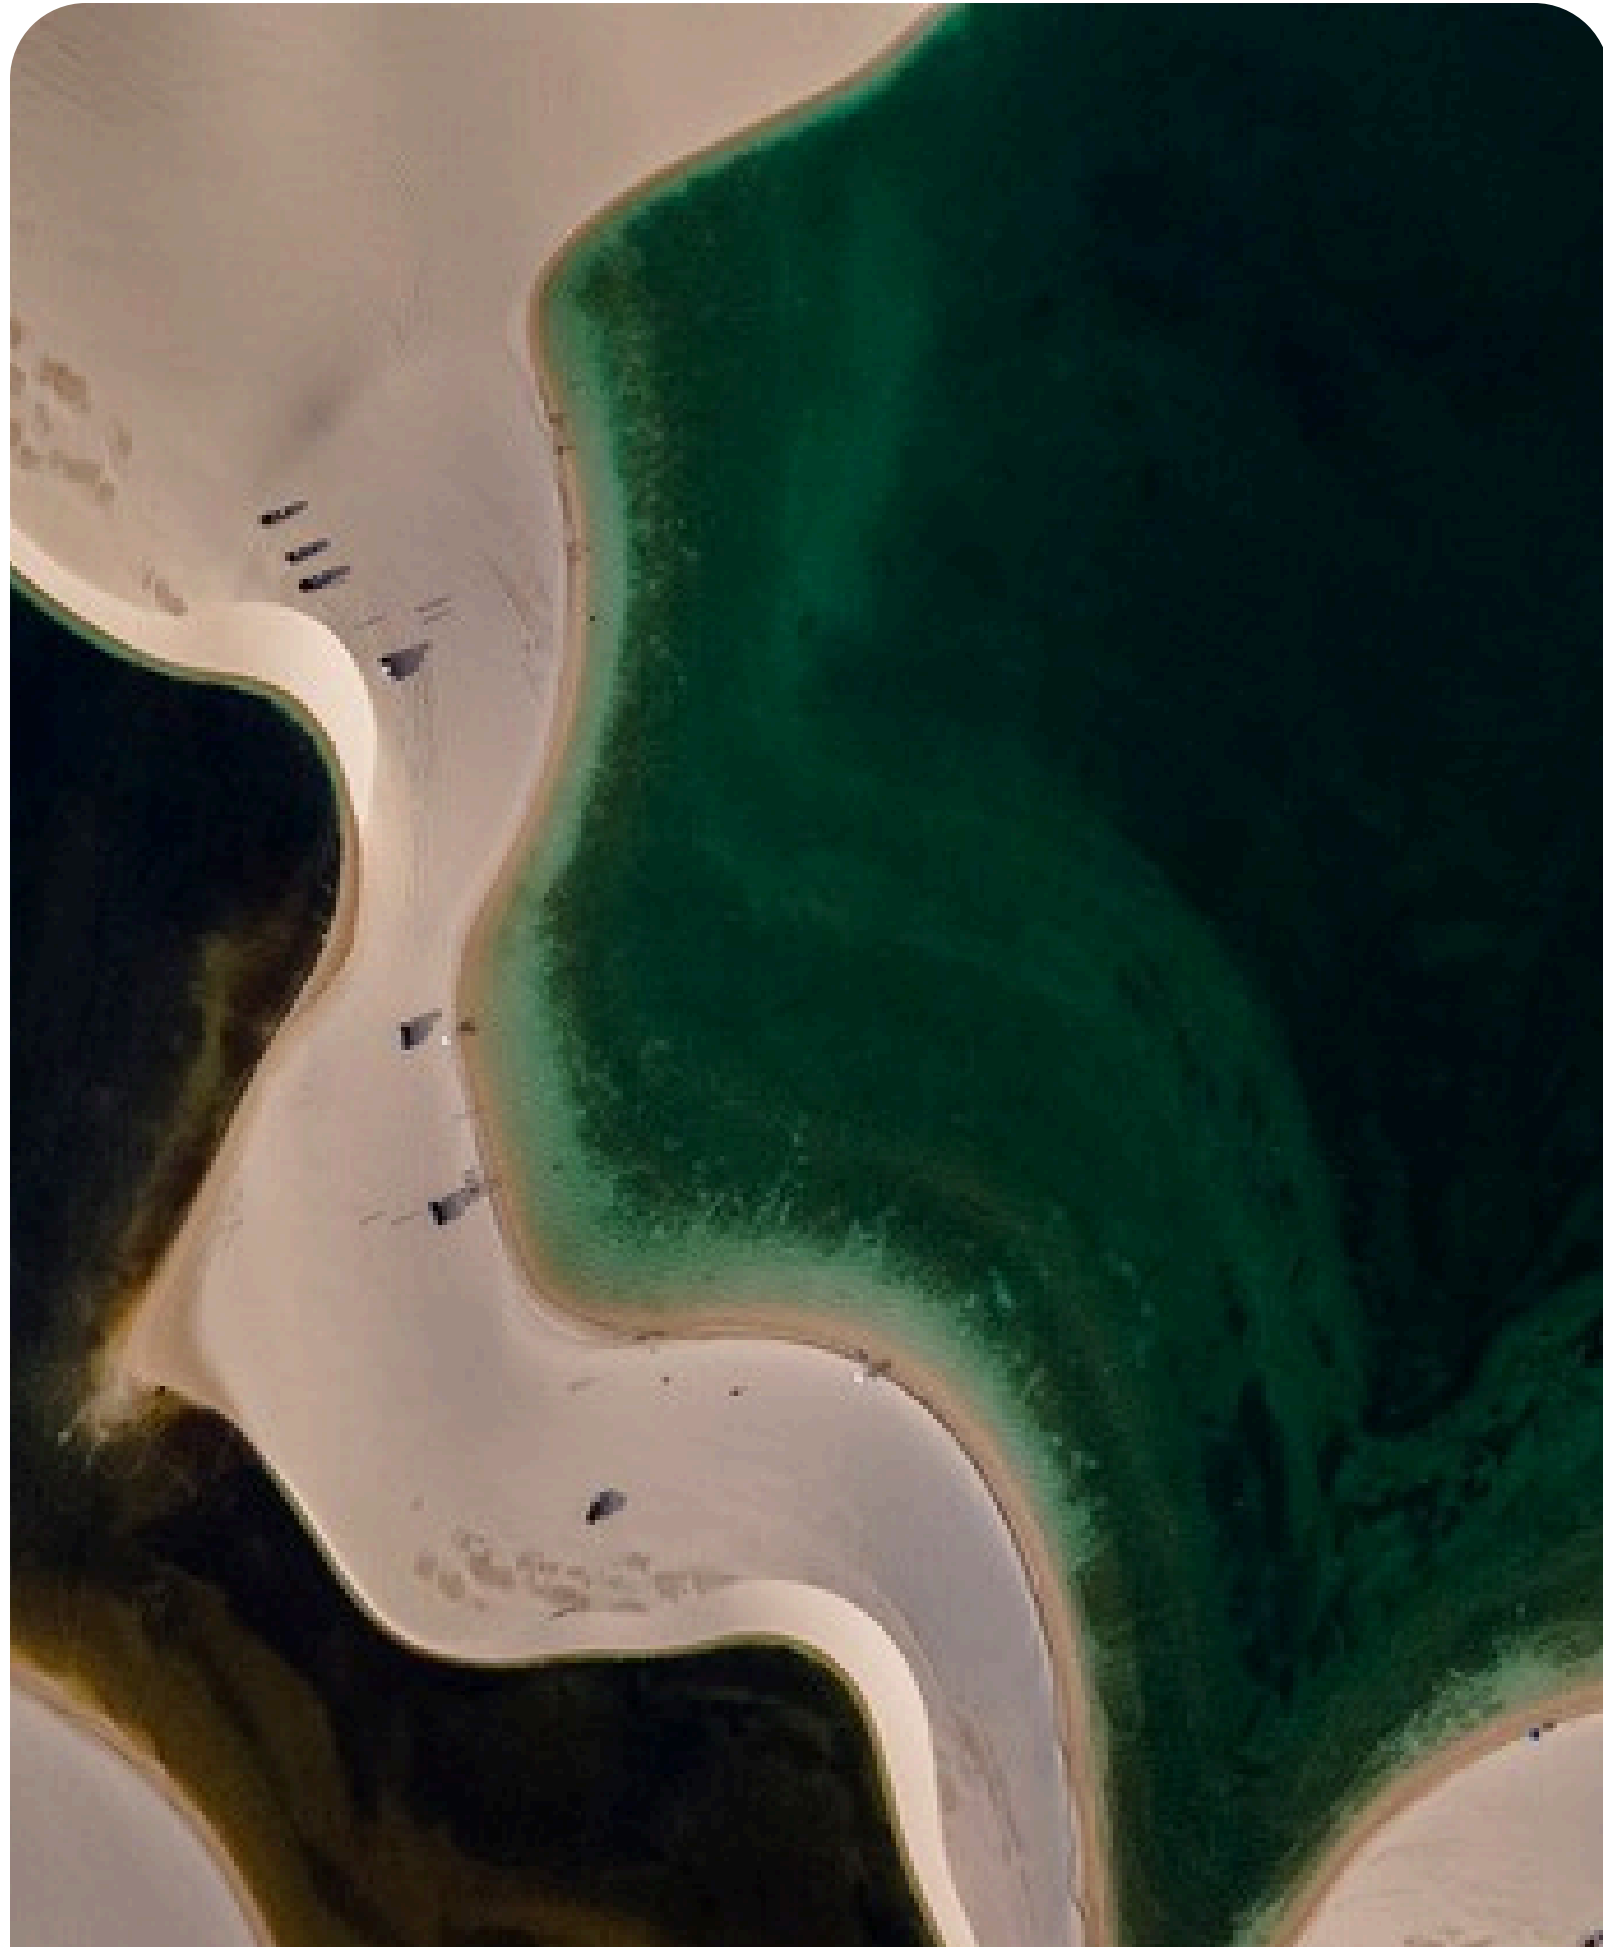

After breakfast, departure at 8 AM in a private vehicle toward Santo Amaro. Along the way, we'll stop in the town of Morros for a snack (not included). Upon arrival in Santo Amaro, we'll switch to a 4x4 vehicle to reach the hotel. At 3 PM, we'll depart in a 4x4 to visit Lagoa das Emendadas, located in the park's remote area. We'll do a light trekking (approx. 4 km) to reach the lagoon. After a refreshing swim and walk in the region, we'll watch the sunset from one of the highest dunes, then return with another 4 km walk at twilight over the Lençóis Maranhenses dunes. Overnight in hotel with breakfast included.

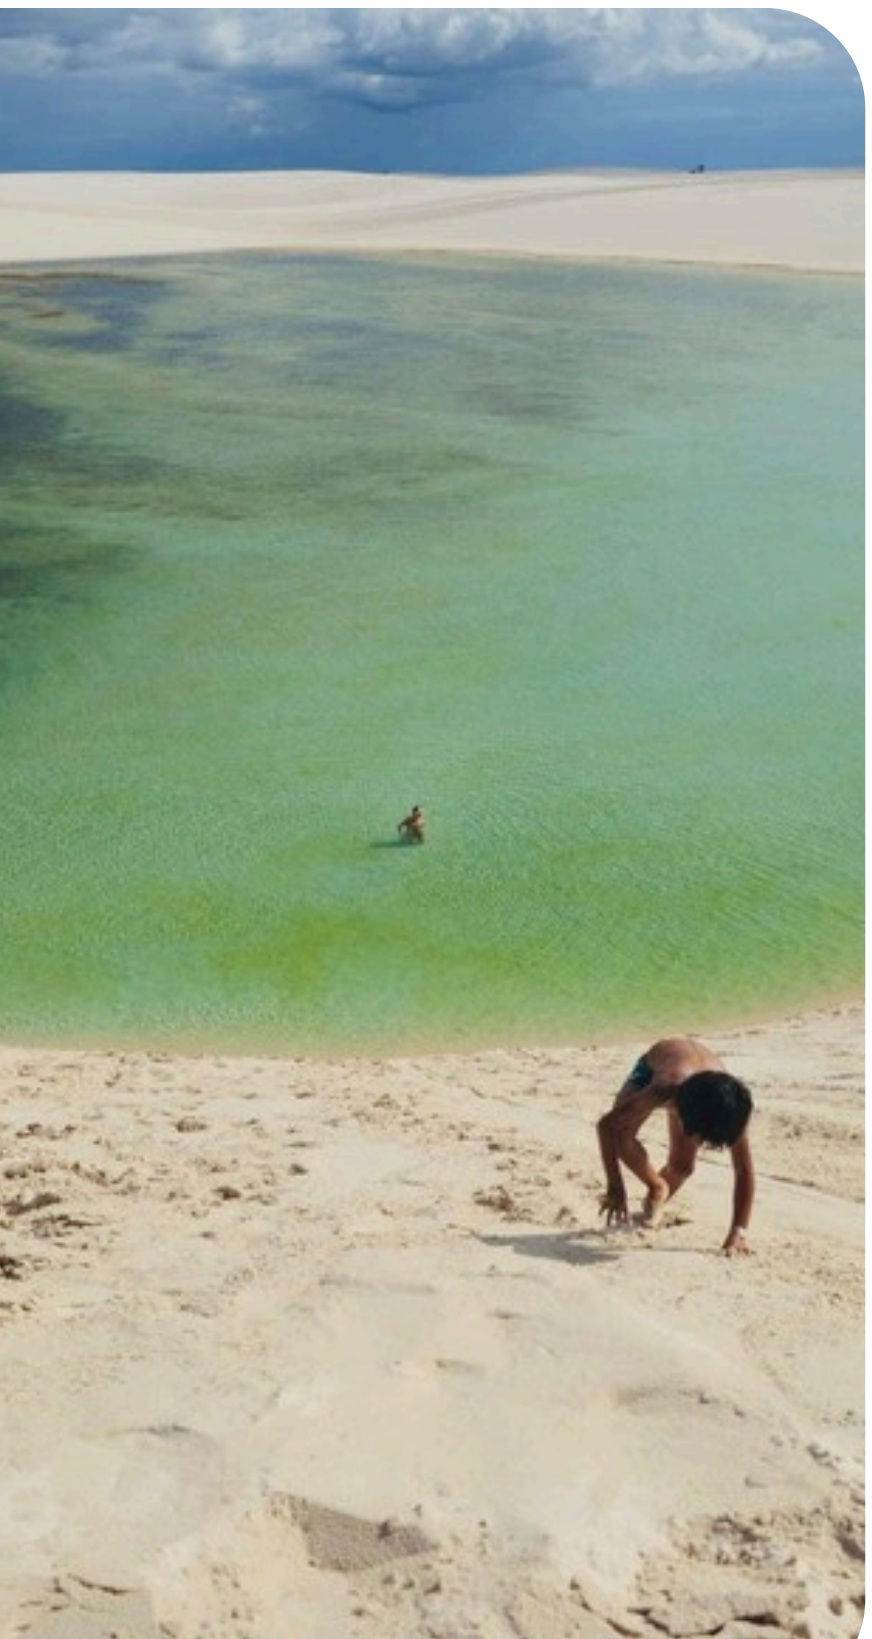

DAY 3 – SANTO AMARO / PONTA VERDE

Departure at 9:00 a.m. from your pousada in Santo Amaro, as we set off on an exclusive trail toward the pristine lagoons near the village of Ponta Verde. The landscape is defined by permanently green vegetation—true to its name—dotted with native fruits such as cashew and mirim, creating a vibrant and immersive natural setting. A first stop invites you for a refreshing swim in secluded lagoons, before continuing to lunch (not included) at a privileged spot overlooking Lagoa Verde. Our culinary recommendation is the Malaysian Prawn, when available, or a refined version of the traditional crab moqueca, both perfectly paired with the serene views of the dunes and water. After time to relax and fully absorb the surroundings, the journey continues to Lagoa do Reflexo, one of the region's largest and most impressive lagoons. Enjoy unhurried moments for swimming, contemplation, and photography, as the light transforms the landscape. At sunset, we return to Santo Amaro, closing the day with the golden hues of the Lençóis Maranhenses as your final memory.

Overnight in hotel with breakfast included.

Day 4 – SANTO AMARO / PREGUIÇAS RIVER / ATINS

After breakfast, around 10:30 AM, we'll head by private vehicle to Barreirinhas. Suggested lunch spot (not included): Bambaê Restaurant in Barreirinhas or during the tour. Upon arrival, we'll board a private speedboat along the Preguiças River to Atins Beach. Along the way, palm trees and mangroves are home to birds, reptiles, and mammals. First stop: Vassouras, where the Small Lençóis dunes meet the river. Capuchin monkeys and parrots delight visitors enjoying cold drinks in the shade.
